

BRONX VOICE

The Bronx Voice is truly the voice of the borough because we live here. We know the wonderful people that make up this diverse borough. Which is why we feature them.

From features on the people making a difference to photo spreads on people enjoying the many events here, the Bronx Voice is a newspaper that truly reflects the borough.

In addition to extensive coverage of local sports teams, Bronx Voice also runs an extensive entertainment and lifestyle section. From restaurant reviews to community events health and fitness. We have our pulse on the community.

We also run special supplements working with advertisers on upcoming events like Summer Camp registration, where to eat out for Mother's Day, Back to School, Halloween, Christmas and more.
